

93 Ranch Tournamet
September 10 – 11, 2011

Weather for the Chapman at 93 Ranch was great as the temperatures were in the low 80's both days.

Ron & Dennisa Lancaster made arrangements for a great steak fry at the Elks. Thanks to Kathy Wudyka for the help with the scores, as Sharon Peterson broke her leg and wasn't able to post the scores, but she would read them off to Ed.

We would like to welcome two new couples, Herb & Teesa Sinclair and Rocky & Ranece Reece

Next week is the last tournament of the year which is at Teton Lakes in Rexburg. It looks like good weather for the tournament. This is a neat tournament as it is a 27 hole course so there is quite a variety of play.
