

Burley State Championship
August 13 – 14, 2011

The state championship was held August 13 – 14, at the Burley Golf Course, again, was, again, a great success. Lots of interesting things happened including Bill and Norma Morrison winning the state championship. Bill and Norma have put so much time and effort into the ICGA over the years and it was very nice to see them win. The other winners, along with photos are available on other portions of this website.

One of the more interesting things that happened this year took place on Saturday when newlyweds, Keith and Linda Shark approached Hole 11. Linda chipped a ball up on the left side near the lake and Keith took his pushcart there. As Keith took out a wedge and looked the situation over he decided he would go ahead and use his putter instead. He went back to the pushcart, put the wedge away and took out his putter and turned to go back to the ball. About that time, for some reason, Keith's motorized pushcart took off and jumped from the top level of the retaining wall to the second level and then made a hard left turn and went into the lake. In the picture are Keith and Linda considering the watery grave of Keith's cart. Fortunately, Don Campbell came by and was able to retrieve Keith's keys and wallet, which had fallen away from the cart and bag.
