

Canyon Springs Golf Course
August 20 – 21, 2011

The Idaho Couples tournament at Canyon Springs Golf Course was held August 20 & 21. The field was full with a waiting list. This year we had not only closest to the pin but longest drive, closest to the line, flighted skins games and flighted deuce pots as well as a putting contest. We think that a first also happened in the closest to the line competition. It was won by a couple, Sergene Jensen and Neal Dean.

Professionals Brandon and Otte, Micheal Erickson along with their staff and the folks in the kitchen worked so hard to put on all the events and a great steak fry. Included with the meal was corn on the cob, salad and three of Marta LeMoynes large sheet cakes. We had asked the kitchen crew to start the meal at 6pm and everything came off on time and good. You might take a look at the Canyon Springs web site. It is a nice one and has a lot of information. <http://www.canyonspringsgolf.com/index.htm> This is fast becoming one of the best attended and most fun tournaments we have.

There aren't any photos for this event because Henri dropped the camera and broke the lens. Shopping for another camera will commence on Monday.

The Board of Directors is discussing the tournament schedule for 2012 and welcomes ideas from anyone. We would like to add a tournament in the Boise area so suggestions are in order.

Next up is the 93 Golf Ranch tournament September 10th and 11th. That is followed by Teton Lakes in Rexburg September 17th and 18th. Check the schedule section of this web site for details. Also don't forget the annual meeting this year October 16th at Jerome Country Club.
