

Chimney Rock Golf Course

Wow! Chimney Rock had the best greens we have putted on this year! 21 couples played in the tournament; the rest of you missed a great weekend. The weather was very nice, not too hot, not too windy, just right!! Don McDonald, the new manager, put on a great dinner; Don Hall ran a pretty tight tournament. We had deuce pots, a skins game AND a Calcutta following a dinner that was fantastic. Put this tournament on your schedule for next year. They are already planning for us.
