November 2010

The ICGA Board wishes to thank Woody and Kathy for the excellent job they did running this organization for the last two years. We all have enjoyed the golfing that they made possible. Thanks, Woody and Kathy!!!

The annual meeting was held at Clear Lake Country Club on October 17, 2010. It was a lively meeting! 46 Couples attended the meeting and golf, which was played under wonderful skies. Thanks to last year's dues increase, the ICGA stayed in the black for this year. The consensus concerning tournament entry fees from those in attendance and those that sent in proxy votes was that the entry fees should remain at \$40. Woody & Kathy turned the gavel over to Paul & Shirley Ruhter as president and Secretary Treasurer for the next two years. Henri and Marta Lemoyne were approved as the new Vice-Presidents; Woody & Kathy became Directors for the next year in accordance with the bylaws; Glen & Annette Lattin were approved as directors for the next two years; Lonnie & Shawna Nelson, Bob & Linda White, and Gary & Tammy Yost remain as Directors for the next year. The minutes from this meeting have been posted on our web site.

Got Cabin Fever?? Come with us!!

The 2011 Snowbird trip is scheduled for February 7-11, 2011. Rooms have been set aside at the Quality Inn at a rate of \$60/night plus tax. This is based upon the weekly rate, but we don't have to stay a week to get it! It also includes breakfast. Call 928-855-1111 to make your reservations; be sure to mention that you are with the Idaho Couples Golf Assoc. Golf will be at the London Bridge Resort at \$90/day, which will include a lunch. Play will be organized for Monday, Tuesday, Thursday and Friday. Wednesday will be an open day. The format for Monday and Tuesday will be announced at the opening meeting on Sunday night (Feb. 6) at 6 PM at the Quality Inn. Thursday and Friday will be played in our Chapman format. This is a great break from cabin fever in the North, so come join us. Send a \$50 deposit to Paul and Shirley Ruhter to reserve your spot, which will go toward the golfing fees. We always have a wonderful time and this year will be no different. Call us if you have any questions!

2011 Schedule Highlights

The schedule for 2011 is nearly complete; we will send it out early next year. I would like to point out a couple features about next year's schedule. Logan River would like to improve the attendance next year and have decided to not charge any green fees. So we need to show them that we appreciate that gesture, besides it is always a fun tournament. For the tournament at Jackpot, we have set up a group rate for rooms at Cactus Pete's and the Horseshu. Hopefully, if we get good participation at the hotels, we might receive some extra benefits as a group in the future.

Open Board Meeting

The Board will be having a meeting on November 21 at 11 AM at the Jerome Country Club. The Board will be putting the final touches on next year's schedule and conducting some other business to make the organization more efficient. Members are welcome to attend.

Shirley and I are looking forward to the next two years. We appreciate your feed back, tell us what you think about the organization, especially if you have ideas to make the ICGA a bigger, stronger, or more enjoyable organization. Have a great winter and hope to see many of you in Lake Havasu for some Golf!!
