Silver Sage Tournament – June 4-5

The Silver Sage Golf course is renovating 9 of their greens, so we will be playing on the remaining nine holes. The holes to be played are a mixture of the front and back nine holes that play around the lake. Should be fun. They are looking forward to having the ICGA tournament.

Clear Lake Tournament – June 11-12

The Saturday play will be a shotgun start at 1:30 PM, not 8:30 as stated in the Spring Schedule letter. Sunday play will begin with a 8:30 shotgun, as advertised.

ICGA Member Guest Tournament – June 18-19

This is a new event to be played at Burley Municipal Golf Course – Find a Guest partner and join the fun!! It will be a Chapman Best Net Ball, with handicaps used to “pop” the cards. A Dutch Oven Dinner has been planned for Saturday evening.

American Falls Tournament – July 23-24

This tournament date has been cancelled, although we are pursuing a date in Late September.

Chimney Rock Tournament – July 9-10

The new Pro is Don McDonald. We are still working out the green fees, but the tournament is “on the books”. Cart Fees will be \$20/day; private carts will be \$10/day. Send the tournament fee (\$40) and the appropriate cart fee to P.O.Box 657, Wells, NV, 89835; settle the rest on tournament weekend.

Logan River Tournament – July 16-17

Remember that the Green Fees have been waived at Logan River for this tournament to help raise the participation. Let’s have a good showing. This course is a great course for a Chapman format.

Idaho Couples Web Site

Please check out the ICGA web site for the latest in results and handicaps. Henri LeMoyne and AJ have been doing a wonderful job of keeping it updated and interesting.

Tournament Results

Jerome Country Club, April 31-May 1

For the first tournament of the year, 63 couples turned out, which is a great showing! Terry and her Staff in the restaurant and bar did a great job of Saturday night dinner and Sunday Breakfast buffets. John and his staff also did a fine job of running the tournament. Thanks to all of them. We had about 7 new couples join the ICGA, so if you think you are seeing some new faces, be sure and introduce yourself.

Pleasant Valley, May 14-15

There were 28 teams competing this weekend. The weather was really windy on Sunday, but play was completed before the rain arrived. A special thanks to Jim Griggs for helping with the score boards! The signature hole (#7 & #16) ate a lot of golf balls and #2-11, with the wind in your face, also saw a lot of mass confusion about where the green was. The steak dinner on Saturday night was very good and everyone seemed to have a great time. Three new couples also joined the ICGA.
