

PRESTON GOLF COURSE – June 25 – 26, 2011

The tournament in Preston had a nice turnout and couples found a great place to eat called the Main Street Grill. It turns out that the Main Street Grill is on State Street but everybody found there way there. Robert Fulton celebrated a birthday at the course and there was plenty of cake to go around.

Next up is Chimney Rock Golf Course in Wells, Nevada on July 9th & 10th. The Wells group always puts on a very nice steak fry and it is a lot of fun down there. Have a safe and Happy Independence Day and remember why we celebrate it.
