

Teton Lakes Tournament
September 17 - 18, 2011

The Teton Lakes golf course was very pretty this fall. We played three different 9's over the two days. The field was larger this year than last and as usual Duffy was very accommodating. We had a great steak, potato and corn on the cob evening meal and just about the whole group ate. If you haven't played this tournament yet it would be a good idea as in the fall weather this is a really good experience.

Next week, September 24th and 25th is the American Falls tournament, last one of the year. Tee times on Saturday so call the course to make any time you want. There will be a meal on Saturday night at the course. Remember that the Snowbird Tournament this year will be held at the AVI Resort in Lathlin, Nevada. This is a very nice course and the Resort has made the room rate very reasonable. We will also be playing Las Lagos in Bull Head City.
