

JACKPOT GOLF CLUB
July 27 - 28

The Jackpot tournament had a field of 60 teams and a course that was in good condition with very fast and true greens. Several couples got together in the R V Park for cook outs and cocktails. A sizeable crew hit the pool at Cactus Pete's some played games and then were found at Pancho Villa's for excellent Mexican food and margaritas. Lots of stories and various versions of each days events as the day went on.

Jackpot treated us to two really nice days of weather. The golf course was in great shape, if we could only putt those d--- greens!! There were 60 couples that turned out to play and some of them actually did!

This mid week tourney is getting more popular and Jackpot has a very good 18 hole course making for a good venue that played in pretty good time.

Next up is the Pocatello tournament played at Highland Golf Course on Saturday the 6th and Riverside Golf Course on Sunday the 7th. There is a cook out put on by the local contingent at Highland and the two courses offer very different and a fun change of play over the weekend.

The State Tournament is in Burley on August 13th and 14th.
